

Spot Pad Wool

Art.: 90.4019.9999
 Container 6 pieces

The Innotec Spot Pad Wool is a professional polishing pad made of high-quality pure wool with original sheepskin. The Spot Pad Wool was specially designed for dedicated mechanical grinding and polishing of nearly all types of painted surfaces.

Base:	Sheepskin with pure wool provided with a velours backing
Dimensions:	ø 8 cm
Application method:	Attach the Spot Pad Wool to the Spot Pad Support . Apply an adequate amount of polish to the pad and treat the surface. Set the speed anywhere in between 900 to 1500 revolutions and carefully treat the surface in a regular motion until the desired result is achieved. Treat the surface using the Spot Pad Foam to achieve maximum shine. Let dry after treatment before rubbing off the product with a clean and dry Multi Wipe or Clean & Shine Towel .
Cleaning of materials used:	Simply rinse Spot Pads using Innotec Easy Clean and cold water. It is recommended to rinse the Spot Pad Wool regularly.
Shelf life:	Unlimited in original, unopened packaging
EAN Code:	5400563034392

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
