

Graffiti Sup Clean

Art.: 04.1140.9999
 Spray bottle 500 ml

Graffiti Sup Clean has been specially developed to neutralize Innotec [Graffiti Remover](#). On application, a chemical reaction takes place, which converts the dirt into a bacterially degradable liquid.

Base:	Mixture of organic solvents
Density:	1020 kg/m ³
Consistency:	Liquid
Viscosity:	1 mPa.s
Application conditions:	+5°C to +45°C
Type of surface:	Graffiti Sup Clean is used in combination with Innotec Graffiti Remover .
Surface preparation:	Treat the surface with Innotec Graffiti Remover . Then spray Graffiti Sup Clean liberally over the area for treatment and, depending on the surface, clean with a cloth, jet of water or pressure cleaner. Repeat the treatment if necessary. Test beforehand on a non-visible area.
Cleaning of materials used:	With water
Cleaning of hands:	With Innotec Safe Hand Clean Plus and water
Shelf life:	2 years in original, unopened packaging
Storage conditions:	Store cool, dry and frostfree
Type of batchcode:	F
EAN Code:	5400563020555

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
