

Glass Towel

Art.: 04.1704.0155

Plastic bag 5 pieces

Glass Towels are high-quality, ultra-soft, powerful and non-fluffy microfibre cleaning cloths with a long service life. Due to its unique structure and high density, this cloth absorbs a large amount of moisture and dirt, leaving a streak-free surface.

Base:	Polyester / polyamide
Absorption of moisture and dirt:	246%
Density:	200 g/m ²
Dimensions:	40 cm x 60 cm x 0,055 cm
Type of surface:	Glass, tinted glass, mirrors and other smooth and painted surfaces
Application method:	The best result will be achieved when using a clean and dry towel for the absorption of moisture and dirt. Glass Towels are more effective when used in a circular motion. Dirty towels can be rinsed or washed. Wash before first use to prevent fluffing.
Shelf life:	Unlimited in original, unopened packaging
Other details:	Machine washable up to 90°C. Do not use fabric softener or bleach and do not iron.
EAN Code:	5400563035832

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
