

Air Shot Clean

Art.: 04.0161.0001
Aerosol can 500 ml

Air Shot is a silicone-free instant scent explosion for small and large spaces. A powerful solution to quickly eliminate unpleasant odours and thus create a pleasant working and living environment within the shortest time possible.

Base:	Special perfume with organic solvents
Density:	580 kg/m ³
Consistency:	Quickly evaporating spray
Solvents:	Organic solvents
Flash point:	< 0°C
Applications:	In large and small rooms
Application conditions:	+5°C to +30°C
Application method:	Shake can well before use. Spray one shot into the room or on a piece of carpet in the room until the desired odour intensity is reached. Always make sure to keep sufficient distance to objects. Then ventilate briefly. If necessary, remove spraying mist with a damp Inno-Cleaner . ATTENTION: Do not aim the spray at people or animals because of the powerful spray pattern!
Consumption:	1 spray can is enough for approximately 50 spray shots
Cleaning of hands:	With Innotec Safe Hand Clean Plus and water
Shelf life:	12 months
Storage conditions:	Store cool and dry
Type of batchcode:	F
Other details:	Air Shot is 100% silicone-free
EAN Code:	5400563018835

This technical info sheet replaces all previous versions.

All information is supplied without obligation and based on our knowledge and experience with the product under normal conditions. In practice, the information supplied can in no way replace the tests that need to be performed before first use of the product. Only prior testing of the product can prove whether the product is indeed suitable for the intended application (or not). Thus, we cannot accept any responsibility in case our products are not used in compliance with the advices given.

If the product should not meet the quality requirements, we will only reimburse up to a maximum of the purchase price of the product. We accept no responsibility whatsoever and shall under no circumstances be liable for damage or consequential loss arising from the use of the product.

For information concerning safe use and storage, please refer to the safety data sheet of the product concerned.
